Subject: Appreciation for an Awareness program on Don't Drink and Drive in Panjapur village.

Life is very precious gift of God and it is every human's responsibility to live life to the fullest and in the most fruitful way. Alcoholism is widely prevalent among the youth of today's generation. Moreover, drinking and driving is a very dangerous habit which can lead to rising fatalities from road accidents. This is a cause of rising concern.

The Don't Drink and Drive Alertness Campaign organized by the YRC volunteers of Indra Ganesan College of Engineering proved to be very helpful in this regard. Because such an initiative that too from the younger dynamic minds has a stronger impact in the society both to quit alcoholism as well as to avoid driving among existing alcoholics. Such public outreach programs aim at improving the societal standards and imbibing moral values into the minds of the people.

Our heartfelt appreciation to the organizers of the event which infused in every mind a sense of realization, introspection, into the value of life.

With Regards,

**PANCHAYAT SECRETARY
