Report

Department of Mechanical Engineering conducted a Workshop on "Exploring the Impact of Artificial Intelligence on Online Learning Platforms" dated on 14 .06.2022. This Workshop was handled by Dr M. Vimaladevi, Associate Professor .This programme was started at 10.00 am with welcome address by HoD/CSE, followed by the Guest Introduction. Then the session was handed over to the Guest

All the students and All Faculty members have actively participated in this workshop.. He gave brief explanation on challenges of Artificial Intelligence solutions. The session ends with the hands on training in IoT along with machining and its applications. Some Photos of the Events have shared below for reference.

Outcome:

- Know the basic concepts of AI
- Know the different types of Artificial Intelligence systems
- Learning platform about the Challenges of Artificial Intelligence solutions
- Know the historical and current trends addressing AI
- Learning of AI in solutions that require problem solving
