Constitution Day at our college was a momentous occasion where students and staff came together to honor the contributions of the framers of the Indian Constitution and reflect on the values and fundamental rights it upholds:

1. Students enthusiastically participated in creating illustrative posters that showcased the important principles of the Preamble. Additionally, they penned insightful essays delving into the intricacies of the 'Constitution of India', highlighting its significance in shaping the nation's governance and societal fabric.
2. The ceremony commenced with a solemn reading of the Preamble, emphasizing the foundational values of justice, liberty, equality, and fraternity. Following this, students engaged in a compelling street play focusing on the theme of 'Women Empowerment' and the importance of self-reliance. The play conveyed powerful messages about gender equality and the need for individuals, especially women, to be economically independent.
