### About Indra Ganesan Institutions

The start of the Indra Ganesan Group of Institutions goes way back to 2005 with the start of Indra Ganesan College of Education in Trichy. Presently, the group encompasses more than ten institutions including Schools, Engineering, Medical Science, Physiotherapy, Education, Teacher Training, Pharmacy, Nursing and Management. The main motto is to provide quality technical education to both urban and rural students from Tamil Nadu as well as other states.

### About Indra Ganesan College of Engineering

Indra Ganesan College of Engineering, established at 2008 is a leading and organized educational institution is run by Indra Ganesan Educational & Charitable Trust which has consistently followed a growth path owing to our philosophy of constant innovation, up gradation and well defined quality policy. We believe in educating people with the necessary skills to advance the engineering "state of the art".

### IQAC, IGCE

IGCE has been a quality conscious institution in all its actions and dealings and it has been the uppermost concern and thrust, and its motto: The core values, IGCE abide by are derived from the vision and mission of our college. The prime responsibility of IQAC is to initiate, plan and supervise various activities that are necessary to increase the quality of the education imparted in our college. It functions as an umbrella organ engaging and interacting with all the other systems in materializing its goals and objectives.

### IIC, IGCE

Our college has established Institution's Innovation Council (IIC) for promoting different activities related to the innovation, IPR, startup and entrepreneurship. Faculties and students are the members of IIC. This Council aims to promote innovation by providing eco-system in our campus and also by identifying, mentoring, nurturing innovative and entrepreneurial potential of students and transforming them into start-up entrepreneurs by provided avenues of funding, investment opportunities and networking support to make the innovation and venture successful.

### About the International Conference

6th International conference on Emerging Trends in Management, Education, Engineering, Science and Technology (ICETMEEST-2024) is a prestigious event organized with a motivation to provide an excellent international platform for the academicians, researchers, engineers, industrial participants and budding students around the world to share their research findings with the global experts. This conference aims to explore and celebrate the diverse genres, themes, and forms of popular literature and culture and their significant impact on society. We hope that ICETMEEST- 2024 outcome will lead to significant contributions to the knowledge base in these up-to-date scientific fields in scope.

### Objectives

By participating in international conferences, one will gain a unique learning experience as well as the added benefits of career development options and opportunities to become active in research and meet researchers from all over the world.
