Request from HEI to the Respected and Honourable NAAC Appeal Committee members:

- HEI claimed the endowment received from non-government agencies towards the consultancy work carried out by the Institution and this endowment amount was reflected in the income part of Audit statement for the assessment periods.
- In the DVV process, two different values were recorded by the respected DVV partner on 15.05.2024 and 12.07.2024 and finally recommended Zero by mentioning “due to research projects were related to consultancy”.
- HEI have not claimed any research grants in this metric. Moreover the endowment amount claimed was reflected in the income part of Institutional audit statement in every assessment year. This is not observed and verified by the respected DVV partner.
- Hence, HEI request the Respected and Honourable Appeal committee members to consider the endowment received from the non-government agencies which was reflected in the income part of Institutional audit statement.

Marks Awarded by DVV partner – level 0

Marks Expected from HEI – level 4
