Key Indicator- 4.2 Library as a Learning Resource

4.2.1. Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students.

The institution has extraordinary modern central library with text & reference books, journals and e-resources beyond the requirements specified by Anna University. The PTV members inspected the facilities available in the central library like reading hall, digital library, entry register and recent book purchase register. The respected PTV members highly appreciated the Management, Principal and the Library committee members for taking efforts to develop the facilities available in the central library.

In order to support our claim, the extract of the PTV report pertained to the metric id 4.1.1 is produced here for your consideration “E-learning resources from DELNET are accessible online for both students and faculty. The library adheres as per norms and provides digital access to resources such as e-journals, e-books, and databases. The centralized library is automated using the MODERNLIB Library Management Software, which includes modules for cataloguing, transaction handling, administration, auto-search, resource reservation, user queries, acquisition, and serial control” and there is no negative remarks mentioned by the respected PTV members during the visit and in their PTV report.
