6.1.1 The institutional governance and leadership are in accordance with the vision and mission of the Institution and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, decentralization, participation in the institutional governance and in their short term and long term Institutional Perspective Plan.

HEI Appeal Grievance:

The Governance and Leadership in accordance with vision and mission of the institution is **distinctly visible** in various decentralized practices of the college. These practices are visible in the governance of the college and **highly appreciated by the PTV members**.

In order to support our claim, the extract of the PTV report pertained to the metric id 6.1.1 is produced here for your consideration **“The institute has proactive and dynamic management. Governance and Leadership are in accordance with vision and mission of the institution. It is reflected in various practices of the institution. The Institution has initiated the implementation of NEP. The institution has grown since its inception, the authorities are decentralised and perspective plan has been developed focusing on the short term and long term goals. Perspective plan has been put into practice, service rules and procedures have been setup and administration setup has been created as per the requirements of the perspective plan”** and there is no negative remarks mentioned by the respected PTV members during the visit and in their PTV report.
