From Secretary's Desk....

Er. G. Rajaseakaran
Secretary
Indra Ganesan Institutions

The college aims to infuse the spirit of wonder and discovery into the teaching-learning process. Interdepartmental collaborative ventures, interface between faculty students and the exchange programme have synergized the march of IGCE to reach out every individual to come out with their full potential. They have helped to enhance qualitative change ensuring substantial growth.

From Director's Desk....

Dr. G. Balakrishnan
Director
Indra Ganesan Institutions

Successful and happy individuals build a successful nation. That strong foundation is good education. Because, in education lies the biggest service to the individual, to the nation and to humanity in the worldwide. IGCE with best education and infrastructure which will help them to face the complexity of life after completing the studies. Not only do we inculcate in them the best of creative and technical qualification, we also teach them indispensable human qualities.

Titan Leap-Employability Skill Development Program

Department of Training and Placement Cell organized three days Employability Skill Development Program in association with Naandi Foundation and Naan Mudhalvan. The Trainers Mr. Michael Rufus, Mr. Marimuthu and Mr. Yogesh Kumar from Naan Mudhalvan with our Coordinator Mr. J.V. Velu trained our students in various interview disciplines.

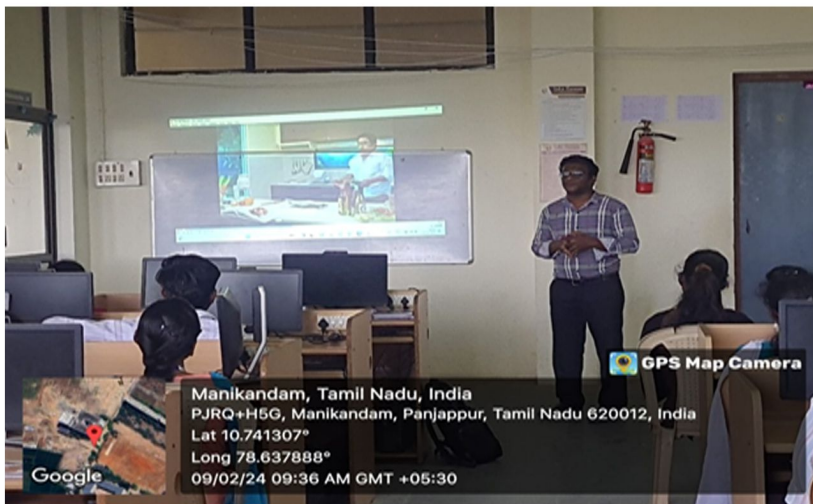

Day One,

- Ice Breaking Session
- Training on Time Management Skills
- Group Discussion skills

Day - II

- Training on Interview Skills
- Mock Interviews

Day - III

- Training on Resume Building
- Personal Grooming Skills

Following students from final year Engineering has been awarded with Memento for best participation in Employability Skill Development

Department of Physical Education

On 18.02.2024 Our IGCE students placed First in COLOSSEUM National Level Volleyball Tournament, SASTRA University. Our volley ball team prove their excellence in the Ground. Among 25 teams all over Tamilnadu it was a tremendous journey for the players. In spite of all these, our team players prove their talent and excellence and cross three levels to reach final. In Final our IGCE team win the match and bring laurels.

Day: I

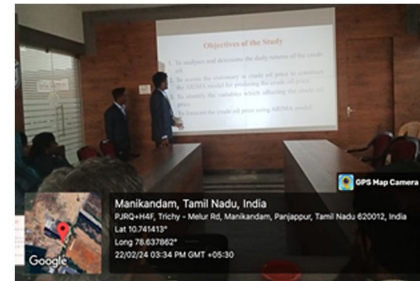

6th International Conference

Indra Ganesan Institutions proudly organized 6th International Conference on 22/2/2024, in the presence of guest of honour Dr. M. Selvam Vice Chancellor, Bharathidasan University, Who speaks Indra Ganesan College of Engineering stands first in providing quality and value based education and promoting research and development, and he released the conference proceeding and the same was received by secretary and director of our institutions. We received 400 research papers from various countries, states and districts. Director and Coordinator of Nano Research Centre Professor Dr. Fabian I Ezema of Nigeria shared his views. Dr. Saravanan Chokalingam, Physiotherapist, Clinical Educator, FYZCAL Therapy and Balance Centre, Waterford, USA addressed the gathering. The occasion was graced with Frederick Lund, Principal, International Gymnastics, Sweden and 45 Sweden delegates presence cherished indo - Swedish ambiance in the conference with the aroma of wisdom. Professors, Research scholars, faculty and Students of various departments actively participated in the conference, and the valediction took place with National Anthem.

Day: II

The valedictory function of 6th International Conference held on 23.02.2024 at Valluvar hall in the presence of Secretary, Director. Dr. Sarojini, Principal, IG College of Nursing presented the welcome address and followed by the Chief Guest Dr. Duraiselvam, NIT, Trichy presented the valedictory address and he appreciated the combination of medical and technology in our campus is a benefit for student community he encouraged and praised the participants also continue this novel experiments and present it to the world. Vote of thanks was given by Dr. Ramana Praba Principal of Arts and Science College. The valediction ends with National anthem.

Department of Mechanical Engineering

The NIT Trichy collaborated with I-STEM (Indian Science, Technology, and Engineering Facilities Map) to conduct a research program titled "Uniting Minds and Igniting Innovation" on 28.02.2024 at NIT, Trichy. The Chief Guest Padma Shri. Dr. Mylswamy Annadurai (The Moon Man of India) conducted a wonderful session about research ideas, patents, and future research publication.

TVS Lab

As a joint venture Department of Mech, EEE and ECE faculty and students organized two days (27.02.2024 & 28.02.2024) training on Electric vehicle collaborated with TVS, competing in the race against gasoline powered vehicle.

Two days training focused on

- E vehicle Promotion
- Battery Packing,
- Battery Testing,
- Channel Isolation Test and
- Battery Management System BMS.

SEED Lab

IGCE started SEED lab training to 1st and 2nd year students in the domains on 28.02.2024 to 12.03.2024. An Intra - disciplinary lab in these students are focused to learn and experience learning in more than one discipline and can choose specialization and work in this integrated lab and can improve their skill and this platform is provided by our institution to the students through SEED lab. The flexibility for students to choose specializations and work within this integrated lab not only encourages interdisciplinary collaboration but also fosters a holistic learning environment. This forward-looking platform enables students to enhance their skills and knowledge, preparing them for the dynamic challenges of the future. IGCE has providing such a valuable and enriching opportunity for students through the Seed Lab.
